

Daily Democrat.

PRINTED AND PUBLISHED BY
HARNEY, HUGHES & CO.

Office—East side of Third Street, between
Market and Jefferson.

LOUISVILLE, KY.

SUNDAY MORNING—MAY 12, 1861.

Notice to Daily Subscribers in the
Country.

It is useless, perhaps, to repeat it; but,
henceforth, no paper in arrears will be for-
warded. It will be stopped to the day. It is
impossible for us to continue to those
careless of their accounts.

Those who fail to receive their paper
hereafter, upon asking the trouble to ascer-
tain, will find that their subscriptions are
in arrears.

The Legislature.

We are without our usual Frankfort letter
this morning and the proceedings of either
House. Nothing in the way of business
was transacted by either body.

The Senate was occupied during the day
debating the question of passing a general
law abolishing the spring and summer
terms of the courts.

The House was debating the military
bill and the appropriation asked to arm
the State.

CITY COURT, SATURDAY MORNING.—Mary
Strouse had David Bergman, Lisa Henne-
man and Fanny Bergman before the Court
on a peace warrant, and each was required
to enter into bonds of \$100 to keep the
peace for twelve months. James Austin,
for assaulting Mary Wise, was continued
until Monday. Fanny Bergman sued out
a peace warrant against Mary Strouse;
Mary gave her own bond in the sum of \$100
for twelve months. Jack Bond, for as-
saulting Elvira Glover, was held to bail in
\$100 to answer a misdemeanor and \$300 to
be of good behavior for three months. John
Armstrong, for being drunk and disorderly
in his conduct, gave bonds in \$100 that he
would behave better for a month.

THE COURTHOUSE at Frederick, Md., was
nearly consumed by an incendiary fire
on Tuesday night.

CEREMONIAL CELEBRATION.—In the Philadelphia
Methodist Conference the following resolu-
tion was adopted, viz:

Resolved, That the single men entering
the work shall remain unmarried for four
years from the time of their admission on
trial.

NOTICE.—Louisville Relief and Employment
Association.—The members and distributors
of the Association are requested to meet at
the room of Prather & Simlar's Insurance
office, Main street, between Fourth and
Bullitt streets, Monday afternoon, at 4
o'clock. Punctual attendance is desired.

By order of
H. A. ROBINSON, President.
John W. Clarke, Secretary.

DISTRIBUTING DEPOTS.—We are requested
to state that, in consequence of the great
suffering in our midst, the citizens have
opened for the present two depots for the
distribution of provisions; one in the
Western District, located at the Boone
Warehouse, Main, between Ninth and Tenth
streets; the other in the Eastern District,
on Brook street, west side, between Main
and Market. The depots will be opened
this afternoon at 3 o'clock, for the distri-
bution of articles of food.

THE N. O. Crescent says that "old
Kentucky is becoming servile to think that
the young and vigorous South cannot get
along without her bagging and rope, her
pork and bacon, her great cattle, and her
old Bourbon."

THE UNION vote in Barren county,
Ky., was 1,298.

It is said there are a very large num-
ber of South Carolina and Virginia officers
in the army and navy who have not resigned.

A rumored negro insurrection in
Allen county, Ky., had reached Glasgow on
the 10th inst. All hell, like the Owen
county affair.

HOME GUARD, COMPANY D.—Every mem-
ber is requested to be at the armory, Con-
cert Hall, Monday evening, at 7 o'clock
precise, for drill. By order of the com-
pany.

A number of the personal friends
of Senator Douglas, in Chicago, have pre-
sented him with a span of Black Hawk
horses, valued at \$1,000.

CAPTAIN Lightfoot, one of the best
stations in the State is making a season at
the farm of John Burks, Esq. This horse
is too well known to need any special
recommendation to farmers in this section
of the country. Read advertisement.

A new company, called the Kenton
Home Guards, organized in Covington, Ky.,
a few days ago. The Company took an oath
to support the Constitution of the United
States and the Commonwealth of Kentucky,
as long as she is true to the Constitution. Some
half dozen refused to take the oath.

A notice over the signature of "Wm.
Winston" appeared in the Democrat of
Thursday, returning thanks to the citizens
of Louisville for \$200 made up for him in
the city. We are requested to say he is
not the Wm. Winston who is watchman in
the First ward.

FATALLY INJURED.—A man by the name
of John Blizard was found, yesterday,
laying along side the railroad track, some
distance South of Indianapolis, very badly
injured—supposed to have been run over
by the train going up on Friday night.
Life was almost extinct.

OUR lady readers are reminded that
Mr. C. C. Spencer continues Mr. J. M.
Hopkiss's sale of dry goods to-morrow
morning and afternoon, at which time a
large lot of dress silks and cotton hose will
be sold. He also continues his sale of fine
jewelry, watches, and plated ware, Monday
evening, at early gas-light, at the store,
No. 305 Jefferson street.

POPULATION OF COVINGTON.—The entire
white population of the city of Covington,
Ky., numbers 16,179, the free colored 72,
and the slaves 143—making a total of
16,394. This, compared with 15,112, the
assessment last year, shows a gain of 1,282.
The amount of taxable property in the city
limits is estimated at \$6,612,200.

THEATER.—Benefit of the Hunt Guards—
The Rivals—Swiss Scaevla.—The Bottleneck
was produced last night, for the first time
in many years. It is a capital drama.
Scallan was especially funny as the ser-
vant. It is one of those parts that develop
in the highest degree the peculiar, quaint
humor of this comedian. On Monday night,
the Hunt Guards, Captain Prentiss, take a
benefit at the theater. The Rivals, Sher-
idan's comedy, will be played. Byron in
alluding to the brilliant and versatile genius
of Sheridan, said that he had produced the
best comedy, the best opera, the best farce,
and the best oration of that day. The
comedy was the Rivals, which has main-
tained its reputation, and the judgment of
its distinguished colleagues, up to the present
day. The musical farce of the Swiss
Scaevla will conclude the entertainment.
We hope that the Guards will receive a
magnificent benefit.

For rent, houses from \$90 to \$600,
407 Third street.

Major Hunt's battalion was out on
parade last evening.

HURTING UP THE MATS.—By yesterday's
news we received our Vicksburg (Miss.)
exchanges of April 26th.

North Carolina has repealed the
statute requiring officers to support the
Constitution of the United States.

The Rev. D. W. Waller will officiate
in St. Andrew's (Episcopal) Church, on
Chestnut, between Ninth and Tenth streets,
this morning, at 11 o'clock.

CONSERVATION OF THE NORTHWEST.—Gov.
Blair, of Michigan, in a special message to
the Legislature of that State, filters some
distinguishing Abolitionists on the heads of the
people, making it appear that the North is
engaged in an anti-slavery crusade. The
Detroit Free Press thus giblets him:

We beg the Union men of the South to
believe that Governor Blair is no representa-
tive of the popular sentiment and feelings of
Michigan. We beg them to believe that
he is a fanatical Abolitionist, and that
he has been written down as an abolitionist
by pretty much every body in this quarter.

The sentiment and feeling of Michigan are
to uphold the Constitution and to guarantee
the rights under the Constitution. There is such
a war for the protection of the rights of the
slaveholder as of the non-slaveholder.

We turn Gov. Blair over to the tender
mercy of the people of this State, who,
having learned how unworthy he is of
his position, have now learned that he is
a traitor to his country, and that he
will be held to his word.

ATTEMPTED SUICIDE.—A soldier belonging
to the Zouave regiment at Evansville, who
had been laboring under delirium tremens
for a few days, Monday morning cut his
throat, making a very ugly gash. He was
taken to the Hospital and had his wound
dressed.

The Idea, says the Alexandria
Gazette, of England supplying herself with
cotton from India, is pronounced prepos-
terous. Indian cotton is inferior to the
American, it is raised in smaller quantities,
it will take too long a time to transport it,
and the cost of transportation will make it
but ways \$2.50.

THE notice of the election of Capt.
Woodruff to the post of Major, by the
Kentucky regiment at Camp Clay, near
Cincinnati, reached us yesterday. We un-
derstand that Capt. Woodruff declines the
professor honor!

FOR the accommodation of persons
wishing to visit Camp Morton at Indianap-
olis, the Jeffersonville Railroad Company
will run an excursion train on Monday,
leaving at half past six o'clock a. m. Fare
both ways \$2.50.

Special Notices.

At a time when there is great fear of the stock of dry lumber, such, doors, blinds, &c., will fall short, owing to the vast amount of improvements in Louisville, it will be interesting to the public to know that Alexander, Ellis & Co., have enlarged their factory and have now on hand several million of dry lumber. Call at their office on Main street, nearly opposite the Gall House, or at their factory on Fulton, above Preston street.

J. N. Collins sells the best of oil and his office, Third street, between Market and Jefferson. Give him your orders.

HOMINGVILLE, Ky., August 20, 1861.

DR. SHALLERENBERG.—Dear Sir: I have

to state that your Fever and Ague Antidote is daily growing into favor, and needs no puffing to recommend it, as its own merits are sufficient, wherever a trial has been made. I believe it has never failed when the administration has been proceeded with according to the directions. It is a pleasure to sell medicines that meet the expectation of purchasers and give satisfaction, and as such I am proud to recommend your Pill.

S. D. BROWN, Physician and Druggist.

DR. McLean's Strengthening Cordial is receiving the unanimous recommendation of the Press, not only at St. Louis, but all over the country. This remedy is evidently the result of close observation and study. Wherever it has been used it has been recommended with the highest encomiums of praise. Persons can have no conception of its efficacy, without giving it a trial. Once more we warmly recommend this remedy as superior tonic and alterative.

"Let good digestion wait on appetite," is a wish that none appreciate more than those that have neither the one nor the other. How many expedients are in vogue now-a-days to raise an appetite, quinine and its "substitutes" various in form, but alike dangerous and hurtful, throw the system into the other extreme, and the "last state" of that man is worse than the first, not so, however, it is with WRIGHT'S REJUVENATING ELIXIR, which is a powerful tonic and restorative, and after recuperating the tone of the stomach, leaves it in a healthy and vigorous condition.

Sold by all respectable druggists throughout the United States and Canada. J. WRIGHT & CO., sole proprietors, New Orleans, Louisiana. See advertisement.

DR. C. W. ROBACH, M.D.:—

Dear Sir: For the past several months I have been laboring under great weakness and general debility, much of the time confined to my bed, and from which I received no benefit from my physician.

After using some of your blood pills and blood purifier, purchased of your agent, Mr. Wm. H. Plummer, I feel as a new person, almost entirely free from disease, and would recommend your medicines to all who are in need of so invaluable remedies.

Yours truly, MARY Y. HOFFMAN.
